

Nurturing Dreams...Transforming Lives

ARBOR VIEW
Adult Residential Services

A Place to Call Home...

Arbor View is a licensed, recovery-focused community residence located in Newport, NH for adults diagnosed with severe and persistent mental illness.

We combine the treatment abilities of on-site clinical programming with the support of our caring residential team to provide the best of both worlds in residential mental health care.

Daily programming includes community building, art groups, clinical groups, cooking, and wellness activities.

Medicaid insurance accepted.

163 Summer Street
Newport, NH

With a maximum of 16 residents, Arbor View provides round-the-clock supervision and therapeutic services such as case management, medication support, individual and group therapies, and symptom management, with a focus on wellness, stress reduction, self-esteem, life skills, and community living skills.

Our staff works with residents to help prepare meals, go on outings, and enjoy one another's company with card games, puzzles, coloring, watching TV and other activities.

Residential staff at Arbor View are compassionate, caring, and helpful. Building life-skills and helping residents grow to their full potential is our goal.
