Speak Out Against Suicide

WHY MENTAL HEALTH FIRST AID?

Mental Health First Aid teaches you how to identify, understand and respond to signs of mental illness and substance use disorders. This training gives you the skills you need to reach out and provide initial support to someone who may be developing a mental health or substance use problem and help connect them to the appropriate care.

On average,
123
people die
by suicide
each day.

— American Foundation
for Suicide Prevention

From 1999 to 2016,
630,000
people died from
drug overdose.

— Centers for Disease Control
and Prevention

Nearly
